CS 3010: Android Development

Assignment: Databases

Requirements

- Update the CriminalIntent application to persist data using an SQLite database, as described in Chapter 14.
- Allow records to be read from the database, as well as inserted and updated into the database.
- You are not required to support deleting records from the database, but it is encouraged.

Resources

- Refer to the Android developer documentation as needed when completing your assignment.

Submission

- Show your completed assignment to the instructor during class or office hours to receive credit.
