**CS 3010: Android Development**

**Assignment: GeoQuiz**

**Requirements**

**Part One**

- Create a simple Android application, called GeoQuiz, as described in Chapter 1.

**Part Two**

- Continue adding functionality to the GeoQuiz application, as described in Chapter 2.
- Also complete the Challenge: Add a Previous Button at the end of Chapter 2.

**Part Three**

- Finish adding functionality to the GeoQuiz application, as described in Chapter 5.

**Resources**

- Refer to the [Android developer documentation](#) as needed when completing your assignment.

**Submission**

1. Show your completed assignment to the instructor during class or office hours to receive credit.
2. Submit your project using Git and GitHub. Start by creating a repo for this assignment [here](#).
