

Nikki Dang

Senior Academic Advisor for the Computing & Design Department
Advisement Coordinator for the College of Science, Engineering, & Technology

The best way to schedule an appointment is through Navigate, either the Navigate Student app or by following my personal appointment link.

Schedule through the Navigate Student App

[Download Navigate Student for iOS](#)

[Download Navigate Student for Android](#)

Instructions

1. Open Navigate
2. Choose "Appointments"
3. Choose "Schedule an Appointment" (at the bottom of the screen)
4. Follow the questions prompts to set up your appointment parameters*
5. Once you have made your selections, a full list of availabilities will show by day up to 30 days in advance

*If you are not currently declared under a Computing & Design program, choose the "Explore CS, Software Eng, IT, Design" service option. Senior
