Talking to Your Professor

Purpose

Students will understand the value of personal contact with professors, and have some tips for how and when to approach them and some common pitfalls to avoid. (Fulfills Goal III.7)

Requirements

Write a paper that contains the following:

1) Question(s) that you are going to ask the professor.
2) Date and Time of appointment with professor.
3) Write one paragraph – 4 full sentences. Describe how your visit with the professor went. Did you get your question answered? Was the professor friendly? Would you approach this professor again? Why or why not?

Rubric

1 point for question, 1 point for date and time, 3 points on the paragraph.

Submission

Submit the paper in Canvas by midnight on the due date in the schedule.
