Fall 2021 Schedule

The assignment due dates are on Canvas.

The first 4 weeks of the course will be spent on the Academy Cloud Foundations material.

Week 5 will be spent reviewing and taking our test(s).

Weeks 6-14 will be spent on the Academy Cloud Architecting material.

In general, things will flow as fast or as slow as you want, BUT you have to complete all the ACF stuff prior to the exam. The same is true for the ACA stuff.
