IT 3100: Systems Design and Administration I

GNU Manifesto

Due according to the class schedule.

Assignment

In this assignment, you will read the GNU Manifesto, and reflect on its purpose, meaning, and results.

Reflection

Create a one paragraph document with your understanding of, response to, or opinion of the content and results of the GNU Manifesto.

Submission and Passoff

- Submit your document to the instructor. (Fall 2015, this means send it in email.)
