**Salt 3**

For Spring 2018, this will add 15 points to your assignment scores

**Description**

For this assignment, you should utilize saltstack to automate the assignments found here:

- [users groups 1](#)
- [users groups 2](#)

I will look that you are using loops rather than copying/pasting the same script over and over.

**To pass off**

Upload your scripts and screenshots that it is working by the due date.
