Information Security

Course Information for Spring 2016

Instructor: Jay Sneddon

Resources

Text

Well, this isn’t a text, but you are required to purchase the following:

Security Pro (also covers Security+ & SSCP) 978-1-935080-44-2

This is a code that will allow you to access the labsim materials that we will use for the course. You can purchase in the bookstore for about 90$.
